

## I. Morning Session 8:30-12:30

Chairs: K. Henriksen, P. Ronco

Welcome

8:30-9:00	Pathomechanisms of IgA nephropathy	J. Barratt
9:00-9:30	IgA nephropathy histopathology update	M. Haas
9:30-10:00	Pathomechanisms of pregnancy-associated renal injury: old entities and new challenges	A. Hertig
10:00-10:30	Histopathology of pregnancy-associated renal injury	A. Fogo

Coffee Break

11:00-11:30	C3 glomerulopathy vs. postinfectious glomerulonephritis	B. Stokes
11:30-12:00	C3 glomerulopathy vs. immune complex MPGN	G. Remuzzi
12:00-12:30	Tubulointerstitial nephritis: from morphology to etiology	S. Florquin

Lunch Break

## II. Afternoon Session 13:30-17:00

Chairs: J. U. Becker, L. Gesualdo

13:30-14:00	Pathomechanisms of membranous nephropathy	P. Ronco
14:00-14:30	Pathomechanisms of ANCA vasculitis	J.W. Cohen Tervaert
14:30-15:00	Expression profiling in native kidney biopsies and its relationship with pathology	M.T. Lindenmeyer

Afternoon Tea

15:30-16:00	Infiltrates in kidney transplant rejection	M. Clatworthy
16:00-16:30	Banff 2017 update	M. Rabant
16:30-17:00	Innovative techniques for renal biopsy analysis: vibrational microspectroscopy and MALDI-TOF imaging techniques	V. Vuiblet

### Faculty

Jonathan Barratt, Leicester, UK  
Menna Clatworthy, Cambridge, UK  
Sandrine Florquin, Amsterdam, The Netherlands  
Loreto Gesualdo, Bari, Italy  
Kammi Henriksen, Chicago, USA  
Maja T. Lindenmeyer, Munich/Hamburg, Germany  
Pierre Ronco, Paris, France  
Michael (Barry) Stokes, New York, USA

Jan U. Becker, Cologne, Germany  
Jan W. Cohen Tervaert, Alberta, Canada  
Agnes Fogo, Nashville, USA  
Mark Haas, Los Angeles, USA  
Alexandre Hertig, Paris, France  
Giuseppe Remuzzi, Bergamo/Milan, Italy  
Marion Rabant, Paris, France  
Victor Vuiblet, Reims, France

### Date, Venue and Registration

20th of October 2018, 8:30 -17.00.

Les Cordeliers, 15 rue de l'école de médecine, Paris, France

Advance online registration only (150 USD)
